

# 20 | LEADERSHIP 26 | CONFERENCE

*Dr. Adrienne D. Sesay*

**COORDINATOR OF HEALTH & SERVICES,  
BALTIMORE CITY SCHOOLS**

Dr. Adrienne D. Sesay is an organizational leadership expert, change management practitioner, and executive consultant with more than 20 years of experience driving transformation across education, nonprofit, and public sector systems. She specializes in leadership development, organizational change, and equity-centered strategy.

As Coordinator of Health & Specialized Student Services for Baltimore City Public Schools, Dr. Sesay leads multi-million-dollar initiatives focused on student wellness, behavioral health, and support for vulnerable populations. She also serves as a Change Management Practitioner, coaching executive leaders, and facilitating high-impact workshops that strengthen team performance and organizational culture.

A dynamic and engaging speaker, Dr. Sesay has presented nationally on change management, leadership effectiveness, team workflow, educational equity, and systems transformation. Her sessions blend practical strategy with real-world application, leaving audiences with actionable tools to lead with clarity, resilience, and impact.
